

CIRCULAR

Sub.: National School Paryavaran Competition (NSPC)

Class- I - V

Dear Parent,

14th Jan 2022

Climate change is increasingly becoming a global challenge and already the world has started seeing catastrophic results in various forms such as increased frequencies of cyclones, floods, cloud bursts, forest fires, etc. As per UN data, Climatic changes already are estimated to cause over 150,000 deaths annually. It is now well comprehended by all the Nations that unless emphasis is made and actions are taken to control the climate degeneration, the world will face irreversible catastrophic damage.

Paryavaran Sanrakshan Gatividhi (PSG), a nationwide organization is determined to take up the task of the conservation & protection of the environment. In addition to addressing the root causes of climate change, **PSG** is also taking important actions to make people adapt to changing climate.

Focus Areas of Paryavaran Sanrakshan Gatividhi (PSG): is in the following areas:-

- Water management
- Elimination of Plastic & Non-biodegradable material usage
- Discouraging cutting of trees & encouraging & ensuring plantations
- Emphasizing on reuse, recycle of natural resources
- Creating awareness towards Climate Control initiatives by education & creating noises at the relevant forums.

Aims & Objectives of the Program:

1. To succeed in creating awareness amongst students to comprehend in-depth the The complexity of the looming dangers of uncontrolled climate devastation.
2. To acquire knowledge, put to usage skills, competency & attitude to confront the environmental challenges & their mitigation.
3. To encourage proactive & enthusiastic participation from the students to create "Green and safe planet"

The Action plan of National School Paryavaran Competition (NSPC) is to ensure maximum participation of our beloved students on matters, issues related to environmental concerns & their possible solutions. Hence, as a responsible person and institution, we invite you to be an "active ambassador towards the success of this noble initiative."

"We need to Act today. Tomorrow will be too late."
