“Continuity gives us roots. Change gives us branches, letting us stretch and grow and reach new heights.”

Dear Parent

26th September 2022

Pranam!

Every new beginning comes from some other beginning's end. Isn't it what we all have experienced, hence learned in all through our lives, and all we have taught our children is change is the only constant which will be evident. Keeping this view in mind, I am making an announcement to all our stakeholders at Salwan Junior School, Naraina that Mrs. Anuradha Mathur, the present and respected Head of the school has superannuated from her position as Headmistress. I wish to thank Mrs. Mathur for working tirelessly to continue to build on the success of the school. She has been a constant guide, a leader in the truest of the spirit and a lifelong learner at heart.

Furthermore, I am delighted to inform you that with equal hardworking zeal, a perfectionist and an educator herself, and with vast experience in the education sector **Mrs. Sonia Wadhwa, will be joining as the Head of the school from Monday, 26th September 2022, to head the next phase of development at SJS, Naraina.**

Mrs. Wadhwa is a very experienced IT Head of a Delhi school. She has worked at different schools for nearly 22 years and has demonstrated strong and effective command over her subject. She brings with her excellent knowledge and professional expertise. The management will ensure that there is a smooth transition and will be ably supported by our experienced senior leadership team at the school.

Opportunities for parents to meet Mrs. Sonia Wadhwa will be organised during this next term, for which you will be intimated soon.

Thank you once again for your continued support to the school and in our efforts to provide the best possible outcomes and opportunities for the students building the future at Salwan Junior School.

With Regards,

**Michael Dias
