Sub.: Farewell Letter from Mrs. Mathur

SJS/ 24(1)/ Cir./ 2022-23

**Dear Parent,
Pranaam!**

30th September 2022

We believe there is a profound, multi-layered meaning to an old saying, “It takes a village to raise a child”. There are three pillars to any successful school: students, teachers, and parents. If any of these groups are overlooked, it creates an imbalance in the very foundation of the school.

I truly believe in this saying and I am sure by now, you must have realised that by entrusting Salwan Junior School with your child, you have witnessed and seen the tripartite relationship and partnership we share with the parents.

Today, I take this opportunity to tell you all something about Salwan group of Schools- This institution envisages an all-around and balanced education for your child, which is based on sound intellectual, physical, moral and value-based systems. Special stress is laid on the character formation and development of wholesome personality of the children studying here. The aim is to make the students confident, patriotic, law abiding and ceaselessly seeking excellence, with a deep concern for all especially the weak and the poor sections of the society.

To my students, who are studying here or seeking to study or have passed out, I will just say- Whatever you have learned from this institution will enable you to stand in good stead in every situation. It will guide and make your life successful and happy.

Today, I wish to thank each parent for your unremitting support and partnership with the school. For every new endeavour, for every rule taken out and for every guideline which was shared with the parent community, was only to benefit the children.

As I retire today from the headship of the school, I am ready to relinquish this professional association with the school and all of you. With a heavy heart but contentment in life, I am ready to give the crown of leadership to my successor: Ms. Sonia Wadhwa, who with equal hard work, dedication and commitment is ready to take on the mantle of responsibility.

Soon, she will be meeting all the stakeholders and carry on the legacy of the founder father Late Pandit Girdhari Lal Salwan.

To all the children, as an elderly member of the school and an experienced person, I would like to bless you with love, good health and success in your life. Go forth and embrace your future with open arms, and enthusiastically pursue your own life- journey of discovery. Render dedicated service to humanity and live a happy and peaceful life.

May God bless you abundantly. Wish you all the very best in life.

**With Warm Regards,
Mrs. Anuradha Mathur
